User Evaluation		10 x 5 = 50		8 x 5 = 40		4 x 5 = 20
Point Rating						
Total		219		179		128

Comments Overall the Bubba Strap earned better marks on the user evaluation because it was identical to the Master Pull in most aspects however it was much easier on the equipment, once loaded it is smooth when recovery was initiated, whereas in more strenuous tests the Lift All could not successfully pass the tests.

Weighted Test Formula

Ease of Use, WLL rating and User Evaluation scored X 5
 Protective Coating and Cost scored X3
 Storage Space Needed, Weight, and Size scored at X2
